**Indicators Used**

<b>INDICATOR</b>	<b>DESCRIPTION AND HOW IT WAS CALCULATED</b>
Graduation Rate	Graduation rate is the percentage of students who graduated out of the number that started the program. Notes: (1) The Advanced Education in Orthodontics and Dentofacial Orthopedics Residency (AEODO), combined with the MBA is a post-graduate residency program. (2) The MBA is an elective for the Doctor of Pharmacy (PharmD) students. PharmD students started the program with three MBA courses before taking any courses in the College of Pharmacy; therefore, the graduation rates are significantly lower as some later decide to drop the MBA to focus more on pharmacy.
*Note: MBA/DMD Class of 2019 Graduated with the MBA/DMD Class of 2018 as reported on the Public Disclosure of Student Achievement Report November 1, 2018
