**Indicators Used**

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
Graduation Rate	Graduation rate is the percentage of students who graduated out of the number that started the program. Notes: (1) The Advanced Education in Orthodontics and Dentofacial Orthopedics Residency (AEODO), combined with the MBA is a post-graduate residency program. (2) The MBA is an elective for the Doctor of Pharmacy (PharmD) students. PharmD students start the program by taking three MBA courses the summer before taking any courses in the College of Pharmacy; therefore, their graduation rates are significantly lower as some later decide to drop the MBA to focus more on pharmacy.
*Note: No DMD cohorts are scheduled to graduate in academic year 2019/2020.
